Femme Rebelle welcomes submissions from photographers and models under the following guidelines: Images can be in colour or black & white and of a high resolution jpeg (300dpi). Our page dimension is 8.5x11" or 17x11" for horizontal images - we need 4-10 high quality images. We also accept single image submissions for our 'SOLO' section. IMAGES MUST BE UNPUBLISHED BOTH ONLINE AND IN PRINT. We are looking for stylish and beautiful images of women - NOT glamour or 'Nuts' style images. They can incorporate fashion, fantasy, cosplay, alt, lingerie, boudoir and some light fetish. We also welcome implied nude and art nude. Images must be of the highest professional photographic quality to be considered. Your images can be submitted by email to [femmerebelle@hotmail.com](mailto:femmerebelle@hotmail.com) or email us a link to your Dropbox folder. We will inform you of our decision within 1 week and if successful we will email you asking for credits and a signed release.
